

AMENDMENTS TO THE DRAWINGS

The attached sheet(s) of drawings include changes to Fig(s). 1A and 1B and replace the original sheet(s) including such figures.

Attachment(s):      Replacement Sheet including amended Figs. 1A and 1B.

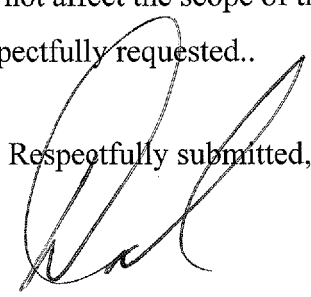

REMARKS

This paper is being submitted to correct informalities in Figs. 1A and 1B as originally filed. Although the informalities may have already been corrected, based on an equivalent replacement sheet filed 9 October 2002, the record is unclear whether or not that previously filed drawing amendment has been accepted. Accordingly, this paper is being resubmitted out of an abundance of caution to ensure that the patent is printed with proper drawing reference numerals. The amendment does not add new matter and does not affect the scope of the claims or require any further examination. Accordingly, entry is respectfully requested..
